****Please Continue overleaf with Section 9 - Pre-Employment Health Questionnaire***

Section 9 - Pre-employment Health Questionnaire

Introduction

Crosville Motor Services Ltd. is committed to the Health and Safety of its staff. As part of this commitment, a Pre-employment Health Questionnaire is required to be completed by all applicants wishing to be considered for employment with the Company. The Company, in common with all responsible employers, complies with its duties under *The Management of Health and Safety at Work Regulations 1999*. Under the scope of these Regulations, we are required to make assessments of any significant risks that employees may be exposed to whilst at work. A "suitable and sufficient" risk assessment involves considering not only the nature of the job, but also the fitness of the employee to carry out that work. In addition, *The Equality Act 2010* imposes a further obligation on the prospective employer, to make, where appropriate, reasonable adjustments to enable a suitably qualified candidate to take up proposed employment. This Pre-Employment Health Questionnaire, (supplemented where necessary by a further medical assessment), is part of the Company's fulfilment of our legal responsibilities in respect of the above legislation.

Confidentiality

If successful in your application, the completed Health Questionnaire form will be held securely by the Company's Managing Director / Compliance Manager. It will only be retained if you are offered employment. All other forms will be confidentially destroyed by high security shredding once an offer of employment has been made to, and accepted by, the successful applicant. In most cases the questionnaire itself will be sufficient for the Company to confirm medical suitability for employment in the proposed occupation. However, in rare instances, the Company may need to make further enquiries of an individual, or may request that a candidate undergo a medical examination. All information provided by candidates during the course of the application/selection process will be treated in the strictest of confidence and handled/used in accordance with the requirements of the Data Protection Act 1998.

Pre-Employment Screening

All Interviewees will be advised & subject to a mandatory breathalyser test in line with Crosville Company Policy and the results recorded and attached to their application. Failure to agree to the screening without documented current medical reasons, why this is not possible, will result in the application for employment not being progressed

	Pre-employment Health Questionnaire
Strictly Confidential	
The information you provide on this form is strictly confidential and is necessary to protect your own health and safety and that of others who may work with or alongside you. Any areas needing further clarification will be discussed at interview stage.
